

## Gazosa "Please"

Visit "[Please](#)" on MotoLyrics.com

I thought you were my boyfriend  
I was mistaking my heart's been braking  
I'm still looking for love and find myself lost  
In lies and promises  
Don't feel no fear don't shed a tear  
In the mornin' when you wake up  
Don't disappear just hold me near  
Listen to my heart that's saying  
Rit: Please give your love to me  
Don't you ever live leave me  
All I want is you in my life  
Please give your self to me  
I just want you near me  
All I need is you  
Please yea!

I thought I was your girlfriend  
Is it a secret between you and me  
I'm still having a problem making you understand  
To take me as I am  
Don't feel no fear do be sincere  
In the mornin' when you wake up  
Come hold me here were my heart beats  
Listen to my heart that saying  
Rit: Please give your love to me  
All I want is you in my life  
Please give your self to me  
I just want you near me  
All I need is you/Please//  
Please give your love to me  
Don't you ever leave me  
All I want is you in my life  
Please give yourself to me  
All I need is you  
Please Yea!
