"See The Man Run"

See the man see him run,
where's he going where's he coming from ?
What's he carrying under his arm ?
Stay away it'll do you harm.

See the man run.

Why's he sitting in the dark ?
Who's he meeting in the park ?
Who's he calling .. on the phone ?
Counting out cash all alone.

What's in the box being wrapped ?
Why's his phone being tapped ?

Under surveillance every day.
Special branch got nothing to say.

What was he arrested for ?
Selling junk, breaking the law.
Addicting kids just looking for fun.
The pusher is pulled .. but the damage is done.
