"Time Bomb"

Perpetual torture,
From those we love to hate.
It's meant to be,
You can't change fate.

We got a time bomb...
5-4-3-2-1: Go!

The time will come
When we gotta say no.
Decide ourselves
Who's friend or foe.

We got a time bomb...
5-4-3-2-1: Go!!!

It's in our hands,
Above your head.
Think carefully
Or you'll be dead.

We got a time bomb...
5-4-3-2-1: Go!!!

It's happened before,
Been called a traitor.
'Cos we control,
The detonator.

We got a time bomb...
5-4-3-2-1: Go!!!
