We're a bunch of desperados,
A brave and fearless crew.
We will work for anyone,
We'll even work for you.

Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Money is the cause we fight for.

We don't mind facing the dangers,
When we're fighting for strangers.
Have no conscience
Who we kill as long
As you can foot the bill.

Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Money is the cause we fight for.

We'll get your country out of any crisis,
As long as you can meet our prices.
We just kill and then get out,
March into battle hear us shout.

Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Money is the cause we fight for.

We're a bunch of desperados,
A brave and fearless crew.
We will work for anyone,
We'll even work for you.

Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Cry havoc and let slip the dogs of war.
Money is the cause we fight for.
