To the mean and mealy mouthed  
Hanging with the crowd  
I bet you don't know what I'm thinking  
Sometimes the brightest star  
Burns the shortest from a far  
You, you just stand there blinking

You've seen it all before  
Been there, you know the score  
But you don't know what for  
Doing it all with the zeal of a convert  
[X2]  
Doing it all, doing it all

Just a new kid on the block  
Taking notes and taking stock  
Putting image over content  
All you phoney's and you frauds  
Sitting there and acting bored  
You'll wonder where all the time went

You've seen it all before  
Been there, you know the score  
But you don't know what for  
Doing it all with the zeal of a convert  
[X2]  
Doing it all, doing it all

To the mean and mealy mouthed  
Hanging with the crowd  
I bet you don't know what I'm thinking  
Sometimes the brightest star  
Burns the shortest from a far  
You, you just stand there blinking

You've seen it all before  
Been there, you know the score  
But you don't know what for  
Doing it all with the zeal of a convert  
[X2]  
Doing it all, doing it all
