We're gonna get up early today
Run to the kitchen, open the fridge
We're gonna start the day OK
Very nutritious I'll do the dishes
Please baby don't rush of to work yet
'Cause I wanna get a taste
We're having breakfast in bed
At least that's what she said
Before she took her clothes off and made me forget
the buttered bread
We're having breakfast in bed
And goes straight to my head
You offer me your sugar and honey and juice...
Breakfast in bed
I know you working late tonight babe
I'll be home waiting anticipating
Maybe you'd like to see a movie
Yeah yeah yeah yeah yeah
But we've got to go to bed quite early
'Cause you know we're gonna have
We're having breakfast in bed
At least that's what she said
Before she took her clothes off and made me forget
the buttered bread
We're having breakfast in bed
And goes straight to my head
You offer me your sugar and honey and juice...
Breakfast in bed
Yeah yeah yeah
(Repeat 2x)
Yeah yeah yeah yeah
We're having breakfast in bed
At least that's what she said
Before she took her clothes off and made me forget
the buttered bread
We're having breakfast in bed
And it goes straight to my head
You offer me your sugar and honey and juice...
Breakfast in bed
We're having breakfast in bed
At least that's what she said
Before she took her clothes off and made me forget

Breakfast in bed
