Nothing blooms  
In a loveless room  
You've got to want it  
You've got to want it

Who's the fool  
Where apathy rules?  
You've got to want it  
You've got to want it

If you don't want it  
It remains the same  
It's a heart of darkness  
Naught wants to play that game  
If there's no defiance  
It remains insane  
If it's all compliance  
It's a runaway train

Nothing's so cruel  
When malevolence rules  
You've got to want it  
You've got to want it

There is no defense  
Against pointed arrogance  
You've got to want it  
You've got to want it

If you don't want it  
It remains the same  
It's a heart of darkness

Naught wants to play that game  
If you need surprising  
When you lose to shame  
And the sun starts rising  
Another day to tame

If your heart is aching  
Just remove the shame  
You've got to want it

Give your soul a shaking  
And refuse the plain  
You've got to want it

Who's the fool  
Where apathy rules?  
You've got to want it  
You've got to want it

If you don't want it  
It remains the same  
It's heart of darkness  
Naught wants to play that game  
If there's no defiance  
It remains insane  
If it's all compliance  
It's a runaway train

It's a runaway train
