Cry out for mercy  
Oh man, there's no denying  
Cry out for mercy, you know that I ain't lying  
Cry out for mercy  
Oh man, she'll bring you to your knees, knees, knees,  
knees, knees  
Crying, please, please, please, now baby, don't you be  
a tease  
Oh, Lord no!  
Watch that woman go, yea

She likes fast cars  
Wears the finest clothes  
She got a mean street smile  
Nobody really knows  
What she's gonna do  
Or just what she might try  
When that woman moves she'll make you wanna

Cry out for mercy  
Oh man, there's no denying  
Cry out for mercy, you know that I ain't lying  
Cry out for mercy  
Oh man, she'll bring you to your knees, knees, knees,  
knees, knees  
Honey, please, please, please, now darling, don't you  
be a tease  
Oh, Lord no!  
Watch that woman go, yea

Oooo she's hanging with the crowd  
That's oh-so hip  
In every local town, you'll see her on every local strip  
Causing all the friction, creating all the talk  
Oh man there's no denying it  
When you see that woman walk she'll make you

Cry out for mercy  
Oh man, there's no denying  
Cry out for mercy, you know that I ain't lying  
Cry out for mercy  
Oh man, she'll bring you to your knees, knees, knees,

knees, knees  
Darling, please, please, please, now honey, don't you  
be a tease  
Oh, Lord no!  
Watch that woman go, yea

Baby start shaking it and moving around  
Nobody's talking not making a sound

Mesmerized  
Aw, hypnotized  
Come on, baby shake it  
Boogie-woogie!

Oooo she'll make you  
Cry out for mercy  
Oh man, there's no denying  
Cry out for mercy, you know that I ain't lying  
Cry out for mercy  
Oh man, she'll bring you to your knees, knees, knees,  
knees, knees  
Crying, please, please, please, now honey, don't you  
be a tease  
Oh, Lord no!  
Watch that woman go, yea

Well, she's turning all the heads  
When she comes into view  
Every woman in the place, knows that it's true  
They don't stand a chance  
It's all that they can stand  
When baby hits the dance floor  
She'll even make the band want to

Cry out for mercy  
Oh man, there's no denying  
Cry out for mercy, you know that I ain't lying  
Cry out for mercy  
Oh man, she'll bring you to your knees, knees, knees,  
knees, knees  
Darling, please, please, please, now honey, don't you  
be a tease  
Oh, Lord no!  
Watch that woman go, yea

Oooo baby, baby, shake it!  
You know I can't take it!  
What you do to me, set my soul free!  
Aww baby, you're killing me!  
I gotta go now, bye-bye
