all i wanna do is to thank you
even though i dont know who you are
you let me change lanes
while i was driving in my car
All i wanna do is to thank you
even though i dont know who you are
you let me change lanes
while i was driving in my car

who ever your are
i wanna thank you
who ever your are
i wanna thank you
who ever your are
i wanna thank you
who ever your are

all i wanna do is to exit
so i go to where i can get off
on a curve through a shoulder
theres not parking in that trough
so i drive around all day
combing atmospheric haze
till i wanna get on agian
then all i have to say is

all i wanna do is to thank you
even though i dont know who you are
you let me change lanes
while i was driving in my car
All i wanna do is to thank you
even though i dont know who you are
you let me change lanes
while i was driving in my car

who ever your are
i wanna thank you
who ever your are
i wanna thank you
who ever your are
i wanna thank you

who ever your are

all i wanna do is to tune in
radio L.A. Luah
cause were broadcasting live
and we wanna hear all of ya
on the mic is geggy tah but a whole lot more of all ya
let us hear ya let us hear ya
in a big echoing holla

all i wanna do is to thank you
even though i dont know who you are
you let me change lanes
while i was driving in my car

who ever you are
i wanna thank you
who ever you are
i wanna thank you
who ever you are
i wanna thank you
who ever you are

all i wanna do is to thank you
even though i dont know who you are
you let me change lanes
while i was driving in my car

who ever you are
i wanna thank you
who ever you are
i wanna thank you
who ever you are
i wanna thank you
who ever you are
