When a man loves a woman
Can't keep his mind on nothing else
He would trade the world
For the good thing he thinks he's found, yea
If she's bad he can't see it
No, she can do no wrong
Turn his back on his best friend
If he put her down

When a man loves a woman
He'd give her everything, everything he's got to give
Oh Lord, yes he will
Tryin' to hold on to your precious love
Baby, please don't treat me bad

When a man loves a woman
Spend his very last dime
Trying to hold on, to the good thing he thinks he's
found, yea
Give up all his comforts, sleep out in the pouring rain
Good Lord if that's the way she says it's oughta be

When a man loves a woman
He'll give her everything, everything he's got to give
Oh Lord, yes he will
Tryin' to hold on to your precious love
Baby, please don't treat me bad

When a man loves a woman
He'll give her everything, everything he's got to give
Oh Lord, yes he will
Tryin' to hold on to your precious love
Baby, please don't treat me bad

When a man loves a woman
Down deep in his very soul
She can bring him such misery
If she is playing him for a fool
Ya know he's the very last one to know
Lovin' eyes can never see
You know that he's as blind as he can be

When a man loves a woman
He loves her so
