If this is the age of communication
How come I feel lost in isolation
My brain is a dumb submarine
Dumb submarine, dumb submarine
My brain is a dumb submarine
Never descending in to the ocean
Into the oh
Into the oh, into the ocean
One is alone, two is devotion
Look out below
Cuz i am diving down
I am diving down
Dumb submarine
Dumb submarine
Beneath the waves it is so serene
So i'm descending into the ocean
Into the oh
Into the oh, into the ocean
One is alone, two is devotion
(look out below)
I am diving down
Inside of my dumb submarine
Dumb submarine
Dumb submarine
Is there another dumb submarine?
(who is diving down)
Surface again, glistening all around
Sunlight bending into what i've found
A new friend
And we are diving down
(inside of our)
Dumb submarines, dumb submarines
Isolation can be something obcsene
So we're descending into the ocean
Into the oh, into the ocean
One is alone, two is devotion
Look out below
(look out below, we are diving, diving, we are diving)
Down
(we are diving)
(diving down)
