All I wanna do is to thank you
Even though I don't know who you are
You let me change lanes
While I was driving in my car. . .

Whoever you are
I wanna thank you who...

Now all I wanna do is to exit
So I go to where I can get off
On a curve through the shoulder
There's no parking in that trough
So I drive around all day
Coming atmospheric haze
Till I wanna get on again
Then all I have to say is

All I wanna do is to thank you
Even though I don't know who you are
You let me change lanes
While I was driving in my car. . .

Whoever you are
I wanna thank you who...

All I wanna do is to tune in
Radio L.A. Lujah
'Cause we're broadcasting live
And we wanna hear all of ya
On the mic is Geggy Tah
But a whole lot more of all of ya
Let us hear ya, let us hear ya
In a big echoing holla

All I wanna do is to thank you

Even though I don't know who you are

You let me change lanes

While I was driving in my car

Whoever you are
I wanna thank you who...
