They think that they own this island  
with their neon helmets their neon spandex  
They clog the roads and don't know how to behave  
with their neon helmets their neon spandex  
They don't understand this is your and my land  
with their neon helmets their neon spandex  
The great God Mammon created the wave  
for their neon helmets, their neon spandex  
Chorus:

Take back the Rock, Who Do you think you are?  
Take Back the Rock, With Your Neon Spandex?  
Take Back the Rock Get off of My road  
Take Back the Rock, Get off of my island!

To buy up land, buy up souls

Those corporations that control us

those corporations that control us

take back the rock, with your neon spandex?  
Take back the rock, get off of my road
