All I wanna do is to thank you  
even though I don't know who you are  
You let me change lanes  
while I was driving in my car. . .  
Whoever you are  
I wanna thank you who...  
Now all I wanna do is to exit  
So I go to where I can get off  
On a curve, through the shoulder  
There's no parking in that trough  
So I drive around all day  
Combing atmospheric haze  
Till I wanna get on again  
Then, all I have to say is  
All I wanna do is to thank you  
Even though I don't know who you are  
You let me change lanes  
While I was driving in my car. . .  
Whoever you are

I wanna thank you who...  
All I wanna do is to tune in  
Radio L.A. Lujah  
'Cause we're broadcasting live  
And we wanna hear all of ya  
On the mike is Geggy Tah  
But a whole lot more of all of ya  
Let us hear ya, let us hear ya  
In a big echoing holla  
All I wanna do is to thank you  
Even though I don't know who you are  
You let me change lanes  
While I was driving in my car  
Whoever you are  
I wanna thank you who...
