### "Christmas Time"

Yeah, mostly I like the Christmas time  
Just eating the snow and getting it in my shirt  
Yeah, mostly I like the Christmas time  
When earth is as white as the snow

Yeah, mostly I don't like to go  
Where the same old yellow is covering the floor  
And if I said dream-bird run in Paris  
He would never come back to me

Hey-yey, yeah mostly I like the Christmas time  
Hey-yey, nothing more, that is all

And thoughts hide in these dancing shadows  
Thoughts hiding more, then eats my soul  
Like the land without snow or winter  
Spring would never come back to me

Hey-yey, yeah mostly I like the Christmas time  
Hey-yey, nothing more, that is all  
Hey-yey, yeah mostly I like the Christmas time  
Hey-yey, nothing more, that is all

Yeah, mostly I like the Christmas time  
Just eating the snow and getting it in my shirt  
Yeah, mostly I like the Christmas time  
Earth is as white as the snow
