Nothing comes by accident
Even when you're dreaming
If we can't find a common way
Well, if we can't find
I'm leavin' to L.A.

Or to Tokyo
No place is then too far
And no place can be too hard
I'm leavin'
I'm leavin' to L.A.

Nothing personal
Nothing to be affraid of
If we can't find a common way
Yeah, if we can't find
I'm leavin', leavin'

Oh, where the secrets loosing secret
Where the sunset meets the ocean for the first time
Oh, where I finally see my brothers
Where the mighty mountains looks so tiny

Nothing comes by accident
Wake up, stop dreaming
I do the four shores and seven seas
I'm leavin', I'm leavin' to

Wherever you say
Nothing to be affraid of
Oh, if we can't find a common way
Yeah, if we can't find
I'm leavin', leavin'

Oh, where the secrets loosing secret
Where the sunset meets the ocean for the first time
Oh, where I finally see my brothers
Where the mighty mountains looks so tiny

Oh, where the secrets loosing secret
Where the sunset meets the ocean for the first time
Oh, where I finally see my brothers

Where the mighty mountains looks so tiny
Looks so tiny
