I can't catch no man  
Hangin' out at a discotheque  
But I believe in the boogie  
Oh, but the boogie don't believe in me

Well, I got my way of groovin'  
Sittin' down right in my seat  
I get soul satisfaction  
Yeah, without jumpin' up and down on my feet

Whoa...ho...disco guy  
You'll be sorry if you pass me by  
I've got what you need  
Boy, I wouldn't tell you no lie

Why not give me a chance  
I swear I could prove it  
That don't mean I can't move it  
And it's close to perfection  
I just use it in another direction, yeah

Ooh...ooh...yeah

I can't catch no thrill  
Though the music they're playin' makes me feel  
When all is said and done  
Well, now, I know what it's all about

Well, hey, come along with me  
If you do I will guarantee  
I'm gonna give you my love  
And the way it's gonna make you shout, shout, shout,  
boy

Disco guy  
You'll be sorry if you pass me by  
I've got what you need  
And boy, I wouldn't tell you no lie

Why not give me a chance  
I swear I could prove it  
That don't mean I can't move it

And it's close to perfection  
I just use it in another direction

I can't catch no man  
Hangin' out at a discotheque  
But I believe in the boogie  
Oh, but lovin' is really my game  
Well, lovin' is really my game  
Well, lovin' is really my game  
Well, lovin' is really my game  
Try me, baby, yeah  
And I will make you see, yeah  
I-I got lovin', yeah  
I-I got lovin', yeah  
I'm gonna love you right, yes, I will  
Every day and every night, yeah  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Ooh...ooh...ooh...oh...oh...oh...  
Try me, baby, yeah  
Try me, baby, yeah  
Ã,ÂiÃ,Â®Cause I got it, yeah  
I've got love, yeah  
And I got good kissin', yeah  
And I got good squeezin', yeah  
Try me, baby, alright  
Love me, baby, alright  
Try me, baby, yeah  
I got love  
Come on and give it to me  
And I will love you right, yes, I will  
Every day and every night, yeah  
And then you'll see that lovin' is really my game, whoa  
Lovin' is really my game, whoa  
Lovin' is really my game, yeah  
Lovin' is really my game  
I wanna make you feel good all over  
Oh...oh...and-and then you will see  
Lovin' is really my game, yeah  
It's my game, it's my game, it's my game  
Lovin' is my game, it's a game, yeah
