My body, My hand
My heaven, My land
My guardian angel is mine

You say
My dreams, My head
My sex, My bed
And it's my Corona with lime

And then I say ..
Maybe we could divide it in two
Maybe my animals live in Your Zoo

You say..
My hate, My frown
My kingdom, My crown
My palace and court is mine

You say..
My lights, My show
My years to grow
The time that I spend is fine

But then I say ..
Maybe we could divide it in two
Maybe my animals live in Your Zoo
Maybe I'm in love with You

But You say
My coat, My hat
My bones, My fat
My zipper is shut by me

You say..
My Skin, My blood
My devil, My God
My freedom is what You see

But still I say
Maybe we could divide it in two
Maybe my animals live in Your Zoo
Maybe I'm in love with You

My beginning, My end
My nuclear bomb to pretend
