Aaaahhh
Yeeaahh

Now I'm through my whole life
What I've believed and what I've received
It's been a few days
Since I've said goodbye, goodbye

Maybe each day should be my last
And maybe each hour devours the past
Hope falls through the holes in my hands
Until the end

Watch me, when there's nothing left to see
Nothing left to see
Hear me, as I'm not half the man I used to be

Cause I'm no sinner
And I'm no saint
I laid myself to rest
When there's nothing left to gain, left to gain
Cause I'm no sinner, I'm no sinner
And I'm no saint, no saint
I lose my very soul
No matter what or what's my name
Cause I'm no sinner
Cause I'm no sinner

Oh, yeah
I see my reflection on a marble floor, on a marble floor
All of my tears are in my mind
Emotions sustained breaking me inside

I am who I am
I want this dream to end
I try to break away from the spell
But I pull the trigger on myself

Know me, as all knowledge comes with pain
Now I lose myself and go insane

Cause I'm no sinner

And I'm no saint
I laid myself to rest
When there's nothing left to gain
Cause I'm no sinner, I'm no sinner
And I'm no saint, I'm no saint
I lose my very soul
No matter what or what's my name
Cause I'm no sinner
Cause I'm no sinner
Cause I'm no sinner
I'm no sinner

I'm no sinner
I'm no sinner
I'm no sinner
What's my name?

Cause I'm no sinner
And I'm no saint
I laid myself to rest
When there's nothing left to gain
Cause I'm no sinner
And I'm no saint
I lose my very soul
No matter what or what's my name
Cause I'm no sinner
