Tu esi vienā gāç, kas manu interesi neslāçpāš
un karstāçs vasarāçs, kāç auksta coca cola veldzāš.

Var izklausāties mazliet jocāgi vai nepatiesi,
bet skrienot, skrienot un skrienot visu tāçpat
nesasniesi.

Uz pasaules ir 5 miljardi tāçdu kāç es,
bet es esmu viens.
Jāç, jāç, atzāstu - EGOISTS, māāç, bet vai tad
tāçds nav ikviens?

Kas bijis, tas bijis.
Es esmu atvāçrts, kad gribi, tad nāçc, kad gribi ej
prom.
Nav ne vāçrtu, ne vāçrdu, jo viss ir tieāi tāç, kāç Tu
vāçlies.

Everything Is Just As You Wish

You're the only one who doesn't stifle my interests
And in hot summers freshen me like cold coca-cola

It might sound a bit strange or untrue
But running, running and running you won't reach
everything

There are 5 millions like me on the world
But I am ONE
Yeah, yeah, I admit I'm an egoist, my dear,
But isn't everyone like that

What has happened - has happened
I am open - you can come whenever you want
and go whenever you want
There are no gates, no words - everything is just as you
wish.
