All the animals are sad in the zoo like me
All the animals are sad in the zoo like me
All the animals are sad in the zoo like me, like me, like
me

All the animals are sad in the zoo like me
All the animals are sad in the zoo like me
All the animals are sad in the zoo like me

A lot of men
A lot of women
The whole world seems such a perfect place to live in
A lot of days
A lot of nights though
To think over twice

All the birds are sad in the cage like me
All the birds are sad in the cage like me
All the birds are sad in the cage like me

But I know, I know one day we'll be free
But I know, I know one day we'll be free
But I know one day we'll be free

When the war meets the sunrise
And sunrise meets war
You better men, hurry
Walk out of the door
Out of the door
Out of the door
The one that Jim Morisson didn't ignore, ignore
Ignore, ignore

Don't be ashamed to say what you feel
And don't be ashamed to say what you feel
Don't be ashamed to say what you feel

And don't be afraid to say what you think
So, don't be afraid to say what you think
So, don't be afraid to say what you think

A lot of men
A lot of women
The whole world seems such a perfect place to live in
A lot of days
A lot of nights though
To think over twice

But when the war meets the sunrise
And sunrise meets war
You better men, hurry
Walk out of the door
Out of the door
Out of the door
The one that Jim Morrison didn't ignore, ignore
Ignore, ignore

All the animals are sad in the zoo like me
All the animals are sad in the zoo like me
All the animals are sad in the zoo like me

All the birds are sad in the cage like me
All the birds are sad in the cage like me
All the birds are sad
