Beautiful mornings,  
beautiful nights,  
amazing colors of the twilight  
Memories whisper,  
memories sigh  
You and I together  
before you said goodbye

Welcome to my country  
but here you don't belong  
Stay with me forever, stay as long as you want  
Welcome to my country  
but here you're bound to fall  
Don't you hear me crying, don't you hear my call

Imaginations  
Illusory date  
I came with flowers  
I guess I came too late  
Like a prairie fire  
you made me see  
That the bridges are burnt down  
and I got down on my knees

Welcome to my country  
but here you don't belong  
Stay with me forever, stay as long as you want  
Welcome to my country  
but here you're bound to fall  
Don't you hear me crying, don't you hear my call

Beautiful mornings,  
beautiful nights,  
amazing colors of the twilight  
Time's kind of passed by  
as I remember the past  
Where are you now  
I cried out at last

Welcome to my country  
but here you don't belong  
Stay with me forever, stay as long as you want

Welcome to my country  
but here you're bound to fall  
Don't you hear me crying, don't you hear my call
