So sweet, so beautiful And everyday like a queen on a throne Theres nobody, that knows how she feels Aicha I know one day will be real

She moves, she moves like a breeze I swear I can't get her out of my dreams To have her shining right by my side

I'd sacrifice all the tears in my eyes

Boo whoo whoo

Aicha, Aicha Passing me by (There she goes again) Aicha, Aicha My My My (Whoo) Aicha, Aicha Smile at me now Oh I don't know I don't know

Aicha in my life
