Can't escape your frowning
reaching out for a helping hand
is there something that I could say
there are things that we can't explain

wanna be myself
wanna lose myself
gotta save my self of you

one day I'll be around
someday with out a doubt
you say I'm fabulous
oh so fabulous
one day I don't know how
maybe I work it out
I know your fabulous
so good to know you

see you got that certain look
read to me like an open book
oh yeah it's cheating me
all I ever want is to be free

wanna be my self
wanna lose myself
gotta save myself from you

one day I'll be around
someday with out a doubt
you say I'm fabulous
oh so fabulous
one day I don't know how
maybe I work it out
I know your fabulous
so good to know you

one day I'll be around
someday with out a doubt
you say I'm fabulous
oh so fabulous
one day I don't know how

maybe I work it out
I know your fabulous
so good to know you
so good to know you
so good to know you
