who made up all the rules ,
we follow them like fools,
believe them to be true,
dont care to think them through,

im sorry, so sorry, im sorry
its like this. im sorry so sorry,
im sorry, we do this.

and its ironic to
cuz what we turn to do
is act on what they say
and then it is that way

im sorry, so sorry, im sorry
its like this. im sorry so sorry, im
sorry we do this

who are they
where are they
how can they possibly know this(x2)
do u see what i see
why do we live like this
is it because it is true

who are they
where are they
how can they possibly
know this

im sorry so sorry im sorry
its like this, im sorry so sorry
im sorry we do this

do u see what i see
why do we live like this
is it because it is true

im sorry, so sorry
im sorry its like this
im sorry so sorry, im sorry
we do this
