Baby you know how much I love you
And you know how much i care for you
But even of that still I can't
Say I promise here in your heart

[Refrain:]

Because baby i'm afraid
That this feelings of mine will fade
Some say that "promises are made to be broken"
It'll just fly and won't back like raven

[Chorus:]

But (and) Baby don't cry
Come to me and i'll hug you tight
This is not yet the end

You bare that in your mind
(Enless waltz)
Ohhhh...

Because if i have the authority
To control our mortality
I'd rather choose the eternity
And stay with you in infinity

[Refrain 2:]

Dance with you in front of Zeos
Until the end of endless Waltz

[Repeat Chorus]

Refrain 1 exept last 2 lines

Ohhhhhh....

[Repeat chorus 2x]
