Chorus

Have you ever met somebody  
That will love you like i do  
I'm goin crazy, crazy for you

Girl

And have you ever love somebody  
That will give it all for you  
I'm goin crazy, crazy for you

Gemini 1st verse

I'm goin crazy, uh c'mon

I've always been by myself  
Live life by myself  
Neva care for solitudes just care for the wealth  
Steady stackin neva slackin' with no time  
To be wasted  
While these other dudes chasin broads  
I was chasin that paper  
But then(but then)  
Came you(came you)  
And it was over baby  
I was goin crazy for you  
When i aint felt this way in a minute  
And i aint gon lie to you mA.  
Shh..i'm startin to take it  
For real...

Nb rida

Everything about you is what i like(about you)  
I go crazy and i lose my mind  
Trade my world and i give my life  
(girl)  
Cause it feel so right

Chorus

Have you ever met somebody  
That will love you like i do

I'm goin crazy, crazy for you

Girl

And have you ever love somebody

That will give it all for you

I'm goin crazy, crazy for you

Gemini 2nd verse

And everyday you make it clear

That you don't want to be replaced

Just by them little things you do

Just by them little things you say

Five years done past and we done went through some  
drama

From courtdates to miscarriages to you losin your  
momma

But now(but now)

I see(i see)

That you my one and only baby

Ooh i'm goin crazy

I can't eat(can't eat)

Can't sleep(can't sleep)

No more no more..

..it's like i toss and turn at night

Memories is my pain

I keep hearin you laughin screaming

Callin my name

Then my eyes open wide

And i see you aint there

Then a joy from the mirror they turn

To a permanent tears..of ink

Chorus

Have you ever met somebody

That will love you like i do

I'm goin crazy, crazy for you

Girl

And have you ever love somebody

That will give it all for you

I'm goin crazy, crazy for you

Gemini 3rd verse

My only sanity in these walls

Is just a thought of you

Paradise up in my mind

Just for a second or two

But then it's gone(all gone)

And i gotta go to/through  
Because i change my ways mA  
I'm comin home to you  
For real...

Chrous

Have you ever met somebody  
That will love you like i do  
I'm goin crazy, crazy for you

Girl  
And have you ever love somebody  
That will give it all for you  
I'm goin crazy, crazy for you
