Shining in the distance
Dawn is breaking out

With brightness of the morning sun.
I've been far away for oh
So many years

But soon I'm coming home again.
Once we had a dream
A dream we used to share
But that was far too long ago.
Soon I'm gonna feel the soft look in your eyes

Your eyes are gonna let me know.

Oh

Oh

Oh - oh

Oh

Oh

My love's gonna grow.

Oh

Oh

Oh - I can't let you go.

Magdalena

Magdalena-lena

Music's softly playin'
Melody's of love
And songs that we once used to know.

Magdalena

Magdalena-lena.

Climbing every mountain on my way to you

I pray that you won't let me go.

Oh

Oh

Oh - oh

Oh

Oh

My love's gonna grow.

Oh
Oh
Oh - our love's gonna grow.
Oh
Oh
Oh - Magdalena
Oh
Oh
Oh - Magdalena.
Love is in your eyes
You're waited for so long

We've been through many winding roads.
Now our ways are leading only to the top
Our love is born again
You know.

Oh
Oh
Oh - oh
Oh
Oh
This love's gonna grow.
Oh
Oh
Oh - this love's gonna grow.
