**(feat. NB Ridaz)**

Have you ever met somebody that will love you like I do  
I'm going crazy, crazy for you  
and have you ever loved somebody that would give it  
all for you  
I'm going crazy, crazy for you

I've always been by myself  
lived life by myself  
never cared for solitude  
just cared for the wealth  
steady stackin  
never slackin  
with no time to be wastin  
while these other dudes chasin broads  
I was chasin their paper  
but then (but then) came you (came you)  
and it was over baby  
I was going crazy for you  
and I ain't felt this way in a minute  
and I ain't gonna lie to you ma  
this shit I'm starting to dig it for real

everything about you is what I like about you  
I go crazy and I lose my mind  
trade my world and I'd give my life

cuz it feels so right

*[Chorus]*

and every day you make it clear that you don't want to  
be replaced

just by them little things you do, just by them little  
things you say  
five years done past and we done went through some  
drama  
from court dates to miscarriages to you losing your  
mama  
but now (but now) I see (I see)

that you're my one and only  
baby oh I'm going crazy  
I can't eat (I can't eat) I can't sleep (I can't sleep) no  
more, no more  
it's like I toss and turn at night  
memories ease my pain  
I keep hearing you laughin, screamin, callin my name  
then my eyes open wide  
and I see you ain't there  
then the joy from the music turn to a permanent tear of  
ink

*[Chorus]*

my only sanity in these walls  
is just the thought of you  
paradise up in my mind  
just for a second or two  
but then it's gone  
and I gotta go too  
because I changed my ways ma  
I'm coming home to you, for real

*[Chorus]*
