My Shawty  
Yeahh...

(Chorus)

That's my shawty  
Ain't no one like you  
That's down to ride for me  
Your the one I need  
Would take the wrap for me  
Try to holla at her man  
She wont even speak  
Cause that's my shawty  
Ain't no one like you you're down to ride for me  
Your the one I need  
Would take the wrap for me  
My girl my heart my world  
Man that's my shawty

My shawty hold me down  
Anchored to the ground  
When money wasn't there  
She didn't care shit she stuck around  
Through all the tears she cried  
Pain that I caused inside  
I owed you baby for sticking right by my side  
Even when your family didn't want you with me  
Saying baby don't believe him  
He only out there cheating  
He only want one thing and  
Once he get it girl he leaving you

(Chorus)

That's my shawty  
Ain't no one like you  
That's down to ride for me  
Your the one I need  
Would take the wrap for me  
Try to holla at her man  
She wont even speak  
Cause that's my shawty  
Ain't no one like you that's down to ride for me  
Your the one I need

Would take the wrap for me  
My girl, my heart my world  
Man, that's my shawty

Some find it hard to say  
This but me I choose to say it  
I praise the good that god has gave me  
With no hesitation regardless what it is  
The smallest or the largest gift  
I'm thankful for it so therefore I treat it like it's heaven-  
sent  
And shawty that's what you are  
I couldn't ask for nothing more  
Treat me good and treat me right  
And look way past all of my flaws  
Cause I ain't perfect ma  
You know that I'm far from that  
From things that I did in my past  
To make your heart shatter like glass  
But now it seems as though a change gon' come  
And that change gon' be in the form of a son  
Cause now my shawty finna have my shawty  
That means my baby finna have my baby for me

(Chorus)

That's my shawty  
Ain't no one like you  
That's down to ride for me  
Your the one I need  
Would take the wrap for me  
Try to holla at her man she  
Wont even speak  
Cause that's my shawty  
Ain't no one like you that's down to ride for me  
Your the one I need  
Would take the wrap for me  
My girl my heart my world  
Man that's my shawty

See if you got a little mama that's fly  
Stay by your side like 28s on the ride  
Don't let her go cause she no hoe  
There for your man that's fasho  
Now ladies if you put it down like  
That then letcha man know he on the right track  
See I done been through thangs  
And I done been through thangs  
But does he know the change when  
I find my shawty

(Chorus)

That's my shawty  
Aint no one like you  
That's down to ride for me  
Your the one I need  
Would take the wrap for me  
Try to holla at her man she  
Wont even speak  
Cause that's my shawty  
Aint no one like you that's down to ride for me  
Your the one I need  
Would take the wrap for me  
My girl my heart my world  
Man that's my shawty
