Take me to the grounds we used to walk  
Take me to the streets you used to drive  
Up through the socket to the phone  
Waiting on the card set, no one said  
You had more times than once  
Keep me sustained through the afternoon  
Whiskey on your breath when you left the room  
You said you never make mistakes, make mistakes

I want(want)to know  
So take me to the garden with the rose(rose.  
Cut by the thorns but I never bleed  
Veins in my arms, no veins that I need

Cuz wonderin if I will save this heart of mine  
Hung if I will save this, so lead me on a soap box  
So lead us to fall down, oh why, lead me on a soap box  
Lead us to fall down, oh why, lead me on a soap box

Talk (talk) to breeze  
Easy to say, much harder to be  
Cuz every dress, know they follow the same  
Regardless of face, regardless of name

Cuz wonderin if I will save this heart of mine  
Hung if I will save this, so lead me on a soap box  
Lead us to fall down, oh why, lead me on a soap box  
Lead us to fall down, oh why, lead me on a soap box

Forgive your ground, oh welcome something in  
Forgive your ground, oh welcome something in  
Forgive your ground, oh welcome something in  
Forgive your ground, oh welcome something in
