Some kind of feelings  
don't have an end.  
Thirty situations come back  
To haunt you again.

Johnny you are irritating  
Like dirt in me eyes.  
You've got you information  
Unleashed.

What's in it for me?

You're the spine, you are the backbone  
This nation state.  
Fill up their heads with fear  
Or fill their eyes with lust.

God save you for getting dressed  
'Cause in God we trust.  
There's a big house on the hill there  
What's in it for us?

What's in it for us?  
What's in it for us?  
What's in it for?

Boxes that you're watching  
Day and night.  
Caught us tagging in here  
It's the end of me now.

That you be selling amunitions  
They backfired on you.  
You created a warzone  
What's in it for you?

What's in it for you?  
What's in it for you?  
What you in it for?
