He was my best friend's man,  
I don't know why but I slept with him.  
Now she's mad and I feel bad,  
It's over now,  
It didn't mean a thing  
Girlfriend I'm sorry.  
I slept with my best friend's man,  
I don't know why but I slept with him.  
Now she's mad and I feel bad,  
It's over now,  
It didn't mean a thing  
Girlfriend I'm sorry.

Girl I gotta tell you something bout your man and me,  
How we,  
Crept between the sheets.  
It didn't mean anything to me,  
But I gotta tell you all the same.  
Coz as he called my name,  
Believe I felt ashamed.  
I know I broke the rules,  
I acted like a fool.  
I know I broke your trust,  
There's no forgiving us.  
You are my only friend,  
Girl can we start again.  
Oh, I'm so sorry...

He was my best friend's man,  
I don't know why but I slept with him.  
Now she's mad and I feel bad,  
It's over now,  
It didn't mean a thing  
Girlfriend I'm sorry.

I never meant to cause you pain (Uh Uh),  
I'm sorry and I feel ashamed.  
I didn't wanna make you cry (Uh Uh),  
But I can't keep living this lie.  
Girl I know I've been untrue,  
All the stress I put you through.  
And I broke your happy home,

And now you're all alone.  
Oh, I'm so sorry,  
I'm so sorry.  
Oh, I'm so sorry,  
Cause he was...

He was my best friend's man,  
I don't know why but I slept with him.  
Now she's mad and I feel bad,  
It's over now,  
It didn't mean a thing  
Girlfriend I'm sorry.  
I slept with my best friend's man,  
I don't know why but I slept with him.  
Now she's mad and I feel bad,  
It's over now,  
It didn't mean a thing  
Girlfriend I'm sorry.

How could I put a man before my friend (yeah),  
I'm sorry,  
I'm sorry,  
It's over.  
Believe I never meant to hurt my friend (yeah),  
I promise,  
I promise,  
It's over.  
How could I put a man before my friend (yeah),  
I'm sorry,  
I'm sorry,  
It's over.  
Believe I never meant to hurt my friend (yeah),  
I promise,  
I promise,  
It's over.

He was my best friend's man,  
I don't know why but I slept with him.  
Now she's mad and I feel bad,  
It's over now,  
It didn't mean a thing

It didn't mean a thing  
Girlfriend I'm sorry.
