So u think u got control of me, owning me, without u

[Gemma]

How you tellin me, who you think my friends can be,
turn against my family, you wanna keep me to yourself,
you mad as

kiss, your the kind to hit and miss, you think your, a
wise
guy, but wise guys, get the bye bye, i see you cryin,

[Chorus]

[Juelz]

All you do is listen to ur girlfriends, lil do you kno, all

you
got your ways from your mama, but now i'm startin to
see, you get it from your girlfriends, it's like our life is
their
entertainment, and you entertainin, like i entertain
them, now you wanna put me in a container, dump me
like a dumpster,
give me the retainer, say i'm gettin on your damn
nerves, now you know how i felt, when you were askin
for money to get
your hair permed, but i ain't here to stold da matter,
i'm here to be a bigger man and mould da matter, give
me your heart
let me mould it back up, dats da least i can do for a
thing fourth due!!

[chorus - repeat to fade]
