"Wheel Of Guilt"

With deep trust in every word you reach out for life.
Resounding remembrance of an old existence, of a lost
existence.

You've been sent by angels then you strive for decay.

Resounding remembrance of an old existence, of a lost
existence.

You've been sent by angels then you strive for decay.

Complications - it's just dislocated turbulence

Allegations - to deny what you forgot

It's just self-defence, to put meaning into dust

Start to lick your wounds and let corpses here to rot.

So you will see your father's sin

When the old man's tale's been put to rest again.

And when the Wheel of Guilt's been started

They just didn't see that a circle has begun

Like a snake biting her tail.

Confrontations - chase the dogs until you're out of
breath

You're misbehaving, you dig deep into the mud.

I wonder what for you are talking about life and death

Because you're shaking, I just want it all to stop.

So you will see your father's sin

When the old man's tale's been put to rest again.

And when the Wheel of Guilt's been started

They just didn't see that a circle has begun.

Like a snake biting her tail.

[2x]

I feel like pretending

I feel like no ending

I feel like controlling

But I can't find.

[2x]

So you will see your father's sin

When the old man's tale's been put to rest again.

And when the Wheel of Guilt's been started
They just didn't see that a circle has begun.

Like a snake biting her tail.
