The morning has no sympathy
It just screams across the room
Making light of everything
Taking you
And now IÃfÂçâ, -Â™ ve got a creature on my mind
Go chase your dragon and IÃfÂçâ, -Â™ ll chase mine

They say time is just one long straight line
And they can deaden a girl while sheÃfÂçâ, -Â™ s still
alive
Well, man, weÃfÂçâ, -Â™ ve had one hell of a ride
Go chase your dragon and IÃfÂçâ, -Â™ ll chase mine
I know I know I know I know
The sweeter it gets the deeper you go
I donÃfÂçâ, -Â™ t think weÃfÂçâ, -Â™ re coming back
this time
Man, go chase your dragon and IÃfÂçâ, -Â™ ll chase
mine

Now thereÃfÂçâ, -Â™ s nothing left to say
thatÃfÂçâ, -Â™ s true
So forget about me and IÃfÂçâ, -Â™ ll forget about you
Well IÃfÂçâ, -Â™ m going to find a way to catch that
sun
And then IÃfÂçâ, -Â™ ll leave you behind my beautiful
one
