Album: Night On My Side (2002)

Well I got myself a new day  
And I got myself a second chance  
So I headed to the bus stop  
And the sun, the sun was warm on my back

Today I ran for miles  
Just to see what I was made of

Today I ran for all that was mine

Well I got myself a song inside  
And I got myself some full blown daylight  
Wanna tell you just how hard it's been  
Trying to talk myself out of jumping

Today I ran for miles  
Just to see what I was made of

Today I ran for all that was mine, yeah

Today I ran for miles  
Just to see what I was made of

Today I ran for all that was mine  
Just to see what I was made of

Today I ran for all that was mine, yeah
