Five hours from now
You'll be sleeping
I'll be lying awake wondering
Did we make the right decision?

What a day?
What a day we had?
What a day?
What a day we had?

Brian and I decided
This year, we'll make ourselves believe in everything
I don't know about you
But I've had enough of trying to live through doubt and
What a day?
What a day we had?
What a day?
What a day we had?

What a day?
What a day we had?
What a way to go?

What a day?
What a day we had?
What a day?
What a day we had?

What a day?
What a day we had?
What a way to go?
What a way to go?
