"London Can You Wait?"

My kith and kin
I have sinned
I didn't hear the siren, or see him giving in
My kith and kin
I have sinned again
He said
"London can you wait
For all the things I have to say
London can you wait?"
My kith and kin
I have sinned
The alarm rang loud, the lights were on
And I didn't see a thing
My kith and kin
Death just walked in, again
He said,
"London, can you wait
For all the things I need to say
How long can you wait?"
I was having the time of my life
So why did you have to die?
I'm lost
Again
