We're guilty as charged  
It's staring us in the face  
We missed our last chance  
Now Bevan spins round in his grave  
Time to charge the gates

We're guilty as charged  
There's no love left in the left  
We're guilty as charged  
The party is close to its death  
Slowly moving west

Come play your part  
We're crying mayday  
Come play your part  
Heart like a shark  
We're crying mayday  
Come play your part

We're guilty as charged  
Let Mandelson infiltrate  
We're guilty as charged  
For calling a bucket a spade  
I thought we had it made

Come play your part  
We're crying mayday  
Come play your part  
Heart like a shark  
We're crying mayday  
Come play your part

Surely now's the time  
You can see it in the eyes  
Of all those left behind  
The right must be denied

Surely now's the time  
Come and join with me  
People need to see  
The new enemy
