(Big Boz)

[T. Scott]

Yo', what's happenin' Mo B.?

What's happenin' Mr. Serv-On?

You know what I'm sayin'?

This your main man, your nigga T. Scott.

I was walking by the studio and I heard this funky,
funky beat man.

And I wanna know, what's this I hear bout you snatching
them hoez up?

[Mr. Serv-On]

Chorus

(Snatch them hoez up) if you wanna fuck a nigga

(Snatch them hoez up) if you done bad nigga

(Snatch them hoez up) if you bout' some trouble nigga

(Snatch them hoez up) if you shake that ass nigga x2

[Mr. Serv On]

Mr. hit 'em up, down like they grab them hoes legs and
put 'em up

I love it when them hoes say Serv do

What the fuck you wanna do when you bang the pussy
up

Say what, you like the way I walk with this mean mug

C'mon hoe, snatch that ass for a thug

And if it's good next time I'll let you wear my tank

When I'm going in and out your bank

What, bitch I can't

But I can be dat nigga gettin' mines from behind

And if you bout that double

Bitch I know some country niggas always bout that
fuckin' trouble

[Mr. Serv-On]

Chorus x2

[Mia X]

Na, Na, Na, why niggas do niggas in the club all night
Been nursin' the one drinkin', but got the nerve to think
That he gon' snatch a ho up, bend the bitch over
Smack it down, flip it, throw them legs on your
shoulders
I told ya, TRU bitches ain't going for it hardly
Ain't giving up the pussy to a nigga in the club or the
party
Sorry motherfuckas make me laugh
I'm the bitch with the chips, tipsy get your self a cab, on
me
But some of you bitches make it bad
How you compromise your ass for little or nothin',
that's sad
So when the niggas come stuntin' talkin trash, super
thug bitch what
Nine cock snatch that hoe up

[Mr. Serv-On]

Chorus x3
