"Something In The Water"

Let me invite you in
Look around, feel at home
Let me insist on one thing
Tell me if I'm wrong

They must have put
Something in the water
'Cause something's not in order
And that's why I'm alone
They said
Love was my arena
God you should've seen her
So why is she now gone?

It read: "Most desirable
Well placed with modern lines"
They said, "You'd be a mug to lose it
This is the time to buy"

I know they put
Something in the water
'Cause something's not in order
And that's why I'm alone
They said
Love was my arena
God you should've seen her
So why is she now gone?

Now that you've seen the house
So clean and well designed
How could a man like me
Be left so far behind?

I'll be calling up the council
The halls of power in my sights
It's my right to know the truth

I know they let me invite you in
It's soon to be your home
It really has everything
But are you happy on your own?
