

## Gene & Debbe "Go With Me"

Go with me  
Climb the mountains  
Made of ecstasy  
Swim the seas of unreality  
Baby, go with me  
I love you, baby

Take a ride  
Let us see now  
What goes on inside  
Let's reveal what others try to hide  
Baby, go with me  
I love you, baby

Take my hand  
I'm afraid to travel  
Through this land  
I'm afraid that I won't understand  
Baby, take my hand  
I love you, baby

Stay, promise me you'll never stray  
Together we will find a way  
Baby, go with me  
I love you, baby

- Interlude -

Close the door  
On all the things  
We've done before  
We won't be returning anymore  
Baby, go with me  
I love you, baby

Stay, promise me you'll never stray  
Together we will find a way  
Baby, go with me  
I love you, baby

Stay, I need you, baby  
Stay, I want you, baby

Stay...
