In the beginning  
Of this world  
There were men and women  
And boys and girls  
I met my lover  
We fell in love  
Since then my darling  
It's you I think of

And when you call my name  
Just call me insane  
Poco loco  
A little crazy

You think I'm crazy  
A matter of fact  
I go for you  
And that is that  
Just be my darling  
I'm so in love  
We go together  
Like fingers and glove

And when you call my name  
Just call me insane  
Poco loco  
A little crazy

Late in the evening  
Alone in the dark  
I like to take you  
For a walk in the park  
Just be my darling  
I'm so in love  
We go together  
Like fingers and glove

And when you call my name  
Just call me insane  
Poco loco  
A little crazy  
Poco loco

A little crazy  
Poco loco  
A little crazy  
Poco loco  
A little crazy
