It may be too late
To say I'm sorry
Too late, too late to cry

For tears won't wash away
The wrongs of yesterday
Or paint a pretty rainbow
In the sky

It may be too late
To say I love you
Though it's never
Too late to try

It may be too late to
Say I'm sorry, sweetheart
Still it's too late
To say goodbye

It may be too late
To say I'm sorry
Too late, too late to cry

For tears won't wash away
The wrongs of yesterday
Or paint a pretty rainbow
In the sky

It may be too late
To say I love you
Though it's never
Too late to try

It may be too late to
Say I'm sorry, sweetheart
Still it's too late
To say goodbye
