Burning bush, burning rubber, burning thighs,
Ooh, I've got a crush on you.

Skull and bones, rock and roll, magpie,
Ooh, I've got a crush on you.

Fritz Lang, laser eyes, freedom fries,
Ooh, I've got a crush on you.

Joan of Ark, redwood bark, Cutty Sark,
Ooh, I've got a crush on you.

Isis, bite your tongue, whirlpool,
Ooh, I've got a crush on you.

Vampire, snake eyes, snake face,
Ooh, I've got a crush on you.

Take your money, take yourself, save each other,
Ooh, I've got a crush on you.

Take two, take control, stand up,
Ooh, I've got a crush on you.

Is this the first of the season?
It is the first of the...

Tian chao, Kurgistan, open out,
Ooh, I've got a crush on us.

Shake your tail, time sails, I hope it pales,
Ooh, I've got a crush on us.

Back in time, backing track, crack and sack,
Ooh, I've got a crush on us.

Cape Town, mothers' smiles, we walk for miles,
Ooh, I've got a crush on us.

Save the best, save your chains, save yourselves,
Ooh, I've got a crush on us.

Furnace heat, furnace light, tell the truth,
Ooh, I've got a crush on you.

Burning bush, burning rubber, burning eyes,
Ooh, I've got a crush on you.

It is the first of the season;
Is this the first of the...?

Shotgun, the war is won, I meant to say,
(Ooh, I've got a crush on you)
