Hold on, Cause I'm holding on forver  
Stay by his side, my side, Oh forever  
I know it's you, I know it's true  
Only you, Oh forever  
I know it's you, I know it's true  
Only you, Oh forever

Hold on, Cause I'm holding on forver  
Stay by his side, my side, Oh forever  
I know it's you, I know it's true  
Only you, Oh forever  
I know it's you, I know it's true  
Only you, Oh forever  
I know it's you, I know it's true  
Only you, Oh forever  
I know it's you, I know it's true  
Only you, Oh forever  
(times 3)

Oh forever  
Oh forever  
Oh forever  
Oh forever  
Oh forever
