Don't Fence Me In  
Gene Autry

Oh, give me land, lots of land, under starry skies above  
Don't Fence Me In  
Let me ride through the wide open country that I love  
Don't fence me in

Let me be by myself in the evenin' breeze  
And listen to the murmur of the cottonwood trees  
Send me off forever, but I ask you, please  
Oh, don't fence me In

Just turn me loose  
Let me straddle my old saddle underneath the western  
skies  
On my cayuse  
Let me wander over yonder 'til I see the mountains rise

I want to ride to the ridge where the west commences  
Gaze at the moon 'til I lose my senses  
Can't look at hobbles and I can't stand fences  
Don't fence me in

(Just turn me loose  
Let me straddle my old saddle underneath the western  
skies  
On my cayuse  
Let me wander over yonder 'til I see the mountains  
rise)

I want to ride to the ridge where the west commences  
Gaze at the moon 'til I lose my senses  
Can't look at hobbles and I can't stand fences  
Don't fence me in
