All? en el rancho grande,  
all? donde viv?a,  
hab?a una rancherita,  
que alegre me dec?a;  
que alegre me dec?a:  
Te voy a hacer tus,  
como los que usa el ranchero,  
te los comienzo de lana,  
te los acabo de cuero.

I'd love to roam out yonder,  
Out where the buffalo wander...  
(Yee hee hee)  
Free as the eagle flyin,  
I'm ropin' and a-tyin',  
I'm ropin' and a tyin'...  
Yippee my ranch and my cattle,  
Far from the great city's rattle,  
You'll be a big herd to battle,  
For I just love herdin' cattle.
