A long long time ago,  
As all you folks should know  
Ole Santa started loading up his sleigh.  
A smile upon his face,  
Each reindeer took his place,  
To bring the children joy on Christmas Day.  
With one little, two little, three little reindeer,  
Four little, five little, six little reindeer,  
Seven little, eight, yes eight little reindeer  
Pulling Santa's sleigh.

There's Dasher, Dancer, Prancer, Vixen, Comet, Cupid,  
Donner, Blitzen.  
But there's one little reindeer missing Rudolf is his  
name.

For a long long time  
He had hitched up nine  
To make his Christmas ride  
Now Rudolph's gone  
He's so alone  
Santa Claus sat down and cried

With one little, two little, three little reindeer,  
Four little, five little, six little reindeer,  
Seven little, eight, yes eight little reindeer  
Pulling Santa's sleigh.

It's been a year  
Since we've been here  
And how the time it goes  
Where have you been  
My little friend  
Shining up my nose

With one little, two little, three little reindeer,  
Four little, five little, six little reindeer,  
Seven little, eight, yes nine little reindeer  
Pulling Santa's sleigh.

Peace on earth and goodwill to all,

and a very merry Christmas day
